## VERSE AND CHORUS:

Tom plays a sort of A to Dmaj7/F# thing, and plays it sort of like this

E-----  
B---2---2---2---2-  
G---2---2---2---2-  
D-2-2-2-2-0-0-0-0-  
A-0-0-0-0-x-x-x-  
E-----2-2-2-

**A** **Dmaj7/F#**  
This train don't stop at the stations of the cross

**A** **Dmaj7/F#**  
No reasons left to believe

**A** **Dmaj7/F#**  
Trying to stay awake gave yourself a caffeine headache

**A** **Dmaj7/F#**  
To hide the taste of sleep

**A** **Dmaj7/F#**  
Choosing to forget you cut away the safety net

**A** **Dmaj7/F#**  
That holds your heart, holds your heart

**A** **Dmaj7/F#**  
You go in search of youth, touching up your empire roots

**A** **Dmaj7/F#**  
But these days we don't know how to march

**Bm** **Dsus2**  
Satisfied, with a knife in your spine?  
**Dsus2-x57755**

**E**  
You're bloodless

**A** **D/F#**  
So tell me again, what am I feeling?  
**D/F#-2x023x**

**A** **D/F#**  
You know me so well, so what am I feeling?

**A** **D/F#**  
And how can you tell? I've got a feeling

**E**  
You don't know

(Same progression for this)

We think that we're the ones, we're the bright unconquered suns

Wait a while, we'll watch the light grow stale  
And we smell so very clean, but we're the oil in this machine

And this machine, THIS machine, is going wrong

So choose your sides, when it comes to the fight  
You're bloodless

So tell me again, what am I feeling?  
You know me so well, so what am I feeling?  
And how can you tell? I've got a feeling  
You don't know

## BRIDGE:

**Bm** **A**  
You choose your sides, and in the fight

**E**  
I see your blood run white

Your blood run white

**Bm A E**  
And I've seen it all before

**A**  
And I see it again

(no chords)

So tell me again, what am I feeling?  
You know me so well, so what am I feeling?

And how can you tell? I've got a feeling

**E**  
You don't know

**A** **D/F#**  
So tell me again, what am I feeling?

**A** **D/F#**  
You know me so well, so what am I feeling?

**A** **Bm**  
And how can you tell? I've got a feeling

**A** **D/F#**  
So tell me again, what am I feeling?

**A** **D/F#**  
You know me so well, so what am I feeling?

**A** **Bm** **D**  
And how can you tell? I've got a feeling

**A**  
You don't know

This isn't the most correct Tom song I have tabbed, but it'll do
