Em C B7  
There's always a party on funeral row  
Em C B7  
Where the cross flashes red to the street  
Em C B7  
And gasoline dreams of girls in blue jeans  
Em C B7  
He's grazing the surface of sleep

Em C B7  
The vultures on main street are eyeing you up  
Em C B7  
Calculating the weight of your bones  
Em C D Em  
And midnight graffiti appears on your door  
Em C B7  
So we can sleep safe in our homes

G C G C  
And the storms in the distance hold no rain  
G C G C  
And I feel my resistance giving way  
Em C B7  
Shelter me from this sky  
Em C B7  
Dance with me one last time  
Em C B7  
Sao Paulo Rain

Em C B7  
Do not disturb this blood red earth  
Em C B7  
There's giants sleeping beneath  
Em C B7  
And carnival queens on their deathbed scenes  
Em C B7  
Go through the motions of grief

**Em**                    **C**                    **B7**  
Take another hit let the bottle slip through your fingers  
**Em**                    **C**                    **B7**  
And break like a promise made the day I remember  
**Em**                    **C**                    **B7**  
My heart I will keep, my voice will surrender  
**Em**                    **C**                    **B7**  
And I will not speak to lie

**G**                    **C**

**G**                    **C**

**G**                    **C**  
We were so alive  
**G**                    **C**  
We were so alive

**Em**                    **C**                    **B7**  
Shelter me from this sky  
**Em**                    **C**                    **B7**  
Dance with me one last time  
**Em**                    **C**                    **B7**  
Sao Paulo Rain
