

Street Light

RIGHT, this is my first shot at Streetlight, and hopefully it isn't too bad. The bits which have picking should be fairly accurate, but I'm sorry that I can't tab the picking in the middle because Gtr 2 is too loud! I just improvise with a similar pattern to the one used in the intro etc, so have a go!

Try the standrd McRae pattern he uses on other songs such as I ain't Scared of Lightning and such.

This sounds pretty good strummed actually
