.. and you must have the picture by now! Listen to the record for complete perfection

We'll walk to Hawaii, a final sunset on the waves  
 The perfect girl, the perfect place to watch the world go down in flames  
 Wouldn't that be a shame  
 So, let it go

Lead me to the edge, don't stop, beauty always has a cost  
 And as the air slips from our lungs we'll sing songs of love  
 Oh love
